MEDIA ADVISORY

DSL.net to Report Third-Quarter 2004 Financial Results Today After Market Close

NEW HAVEN, Conn., Nov. 10, 2004 – DSL.net, Inc. (AMEX: BIZ), a leading nationwide provider of broadband communications services to businesses, announced that it will report its third-quarter 2004 financial results after today's market close. The Company, which normally reports financial results on the day of its investor call, said it is sending out its news release today because of the Veterans Day holiday on Thursday, Nov. 11, 2004, when many federal offices will be closed. The holiday would not allow for certain required public filings to be made.

Information about the live audio webcast of the third-quarter investor call is available by visiting the investor relations section of the DSL.net Web site (www.dsl.net). The investor call on Nov. 11, 2004, can be accessed live via telephone by dialing 1-800-946-0785, confirmation code 898157. For those unable to listen to the live call, an audio replay will be available beginning at 2 p.m. Eastern time on Nov. 11, 2004, and through the end of November, by calling 1-888-203-1112 and entering access code 898157. The replay also can be accessed via the investor relations section of the Company's Web site.
